PROPERTY OVERVIEW

This retail/restaurant property is located on the busiest street in town where Highway 87 S enters Roundup, MT. Built in 1997 and renovated in 2018, this property has no deferred maintenance and ready for a new owner to move right in. With concrete monolithic dome construction, it is extremely well built with no interior load bearing walls making the possibilities endless for future layouts of the building. Boasting a 1,060 SF patio, this 946 SF building operates like a 2,000 SF restaurant during the spring, summer and fall. The seller has spent the last year sprucing up what was previously the the Blue Star Espresso with new interior paint, exterior paint, patio stain, upgraded plumbing and literally ensuring there is no deferred maintenance for a new owner. While this building was previously a coffee shop, it could be the future home to an ice cream shop, sandwich place, local retailer, wine bar or even be converted into a single family residence.
